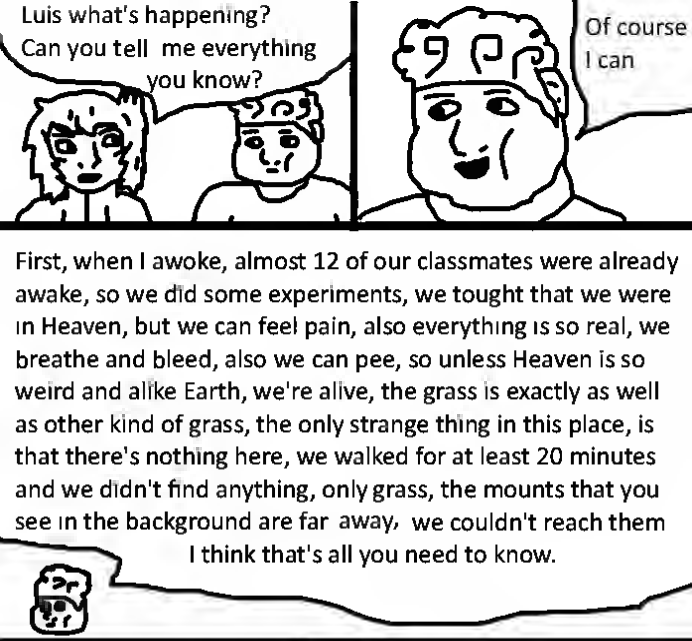
Love the Despair

By Alexkun1999

How... How is this possible?
I'm alive or at least it looks like...
Glad to see you fine Rodrigo, you're the last in awoke
Was it a dream? Nothing really happened? No, I'm sure I was dead
Death isn't the end to everyone

First, when I awoke, almost 12 of our classmates were already awake, so we did some experiments, we tought that we were in Heaven, but we can feel pain, also everything is so real, we breathe and bleed, also we can pee, so unless Heaven is so weird and alike Earth, we're alive, the grass is exactly as well as other kind of grass, the only strange thing in this place, is that there's nothing here, we walked for at least 20 minutes and we didn't find anything, only grass, the mounts that you see in the background are far away, we couldn't reach them I think that's all you need to know.



Well...
I guess we should begin now
We need to discover what happened, and what are we gonna do.
One thing is for sure
We died. I don't know about you, but
I don't remember how it happened
So it was true
Where are we is another mistery, but what most worries me, are these...
Chains...
From where it came?
And what are supposed to mean?

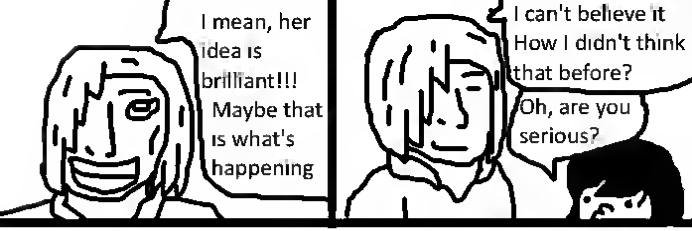
I didn't feel it before
It's true I have two
Oh me too
The same
Ahjajajajajaja what if I only have one?
I have only one too
Ichi
I don't feel any difference
Oh Jesus
Why in my fapping hand?
No thanks, I already ate
It suits me well
Its like in an anime

I have two chains in my wrists but also one more in my left ankle, so I have three chains
HEY!!! Look this
Three?
What does that mean?
Is that bad?
Ah...uh..
I have two and you Rodrigo?
I...I...I have four chains!!!
What?!
What???!!!
What???!!!
Shhhhh, keep calm, maybe we need to forget this topic for now
Then I want to....
Stop your shit!!!

I only want to know one thing
Why are you taking over everyone? Who named you the leader? Why do you think that you're able to guide everyone better than someone else
I'm not taking over anyone, I just felt like it was right to talk about what happened, I didn't try to be the leader
But I can be it if no one oppose also I'm taller than you
That last was unnecessary!!!
I don't see a problem being small Ahjajajajajaja
I'm sorry, but I don't think this will help us to know what is happening and what to do, we are only wasting time
I guess you're right, we don't have time to waste in your no senses, death this, chains this, we need to do something right now!

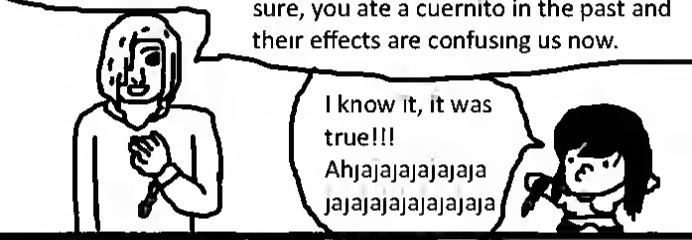
Then tell me, what's your great idea?
Ahhh....
Oh Oh I have a super amazing idea...
Do you know what is a cuernito?
Recently I researched about them for the Biology class, and I found, that they have 0.01% of alcohol, so if you eat a lot of cuernitos per day, your head will be affected, and in some cases, you can go blind or colour-blind. What if all we saw and feel, was just an effect of eating a lot of cuernitos and really we are safe and sound?
...Luis... find a rock and hit me in the head
Why? It makes sense to me
...
And what do you think?
That was the most stupid thing I have ever heard

First, I don't think everyone eats that thing, second, they only have a tiny amount of alcohol so it will at least take more than 50
years to do little damage to your brain. That was very stupid.
I think cuernitos already affected you too much.
YOU LITTLE SHIT!!! I DON'T CARE IF YOU'RE A WOMAN
I'M GONNA HIT YOU HARD!!!
You're going too far, don't you think?
It doesn't matter how stupid that idea was, you don't have to hit a woman. Also you're not so smart
RAY, SON OF A BITCH!!
Chris, Stop!!!



I mean, her idea is brilliant!!! Maybe that is what's happening
I can't believe it How I didn't think that before?
Oh, are you serious?

Now that I remember, yesterday, I ate a cuernito, maybe it is true, and my head is fuzzy and I imagined everything that happened, it's the same for all of you, try to remember, for sure, you ate a cuernito in the past and their effects are confusing us now.

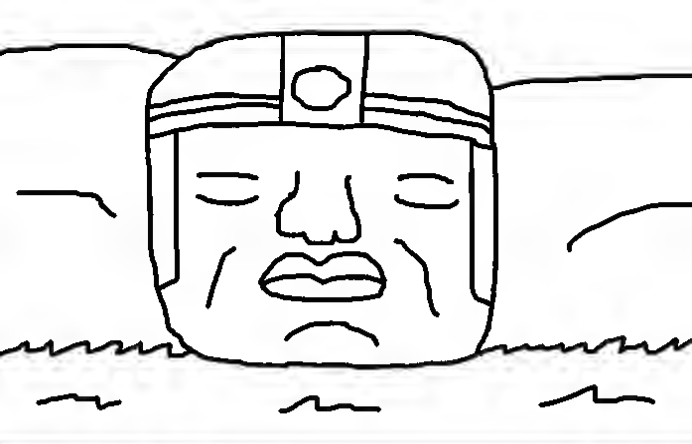


He is such a douchebag. He pretends to agree with Candy's stupid idea to have her in his side I need to do something right now
I found a rock!
Quickly, hit me with it!!!

AHHHH
HHHHH
HHHHH
HHHHH
HHHHH
HHHHH
Luis...Did the rock screamed?
Maybe is another cuernito effect
Excuse me, can I see that rock?
No, give it to me
I'll take it Jayson
At this rate, we'll never do something about what is happening
Ahjajajaj jajajajaja jajajajaja jajajajaja
Now you see why we don't have friends

Man, those guys complain too much
I know it
Don't mind them, Let's enjoy the view instead
¡¡¡WOOOOOOW!!!!
Alright Luis, calm down and say again, where did you find that rock?
Ok Rodrigo, I was walking near those perverts, and then I trip up, and when I was in the grass I saw it covered by the grass.

SON
MY SON
AWAKE
MY SON
COME AND SAVE ME, FATHER
SCREAM MY SON, TELL ME WHERE ARE YOU
YES MY FATHER, I WILL
AHHHHHHHHHHHHHHHHHHHH
HHHHHHHHHHHHHHHHHHHHH
Hey! The rock is screaming again
AHHHHHHHHH
Guys, quickly, come and watch this!!!!!



A giant rock? Wait, how it appeared here?

Kyoraku na aura

Suguni!!!
Sono Iwa kara hanarete daremo

Who cares, this rock is blocking our awesome view
What the hell he said???

Why is he running away? And why in such a weird way?
What's the problem with this?
Really guys you complain too much about this, nothing happened, we're alive
Let's go home, we're wasting time here
Yes, we're not doing anything
AHHH HHHH
Why is screaming again?
